

Education Programs

*Informational and engaging programs
designed for students aged 3-18*

Programs

The Art of Play - Grades 1-3

Learn about the toys that settler and Nipissing children played with a few hundred years ago, and how they're not too different from our toys today!

Battle of the Atlantic - Grades 10 & 12

Learn about North Bay's role in the Second World War both at sea and at home. Held in conjunction with our HMCS North Bay Exhibit!

Early Settlers - Grades 1-6

Learn about the clothing, chores, and schooling that defined the lives of Nipissing and settler children. Includes wool carding lesson!

History Detectives - Grades 4-8 & 10-12

Learn what some of the roles and responsibilities are at a museum and develop your own exhibit for display!

Main Street - Grades 1-6, 10

Learn about Main Street's part as the economic, social, and cultural hub of North Bay from the 1920s to today!

People of the Fur Trade - Grades 1-8

Learn about the different groups involved with North Bay's fur trade industry and how it shaped Canada's national identity!

Rocks and Minerals - Grade 4

Learn about the three basic types of rock and the various uses they have!
